An Update on Neidert Hall renovation (John Foreman)

- Expected start date of March 15
- Expected completion of this phase in mid-July

Summer Enrichment program discussion (Mona Barz)

- While the discussion was wide ranging there were a few consistent comments
- There should be more clarity between required and optional
- There should be clear rewards for required material
- Teachers should be available for questions
- The quantity of material should take into account that this is a vacation time for most families

Report on the Scrip Program(Diane Curtiss)

- Working out accounting details and launching in August

Open call for 2010-2011 committee membership suggestions.
