Re: Spring Sports Sign-Up

Despite the frigid temps outside, Spring will eventually, well, *spring*, and our end-of-the-year sports will commence. For the diocese, that means soccer (both 5th/6th Grade and Varsity), Girls' Varsity Volleyball, and Golf (6th-8th Grades). Here's the lowdown:

Soccer

If your 5th or 6th grader is interested in playing, he/she will need to join forces with Overbrook School. Please contact Coach John Marshall as soon as possible to let him know; he will soon have the details on practice times, etc.
www.marshallj@overbrook.edu

At the Varsity level, St. Ann will most likely combine with Overbrook School this season to fortify our numbers and continue the success of our soccer program. Coach Russ Robertson will head the team, with the help of John Marshall from Overbrook. In the diocese, Varsity soccer is coed, so both girls and boys are eligible to be on the team. Please complete the form below if your son/daughter wants to participate. The team will practice twice a week at Overbrook, teams can begin practicing in the diocese on March 3; more details will be forthcoming.
Fee: \$75 (due February 22) *But please let Mrs. Herrmann know ASAP if your student intends to play--the sooner we can finalize the roster, the better!*

Girls' Varsity Volleyball

Girls in 7th/8th Grades are eligible. The team will practice twice weekly (days to be determined), beginning March 3. Please complete the form below. Girls can participate in both Soccer and Volleyball, though occasionally, a conflict will arise. *It is my expectation that when this happens, the girls put volleyball first--as a smaller team, it will impact this group more adversely than with the larger soccer team.* **Fee: \$75 (due February 22)** *But please let Mrs. Herrmann know ASAP if your daughter intends to play!*
